

Enhance Reliability with AVEVA PI System and Stratus ztcEdge

Uninterrupted Data Availability and Operational Efficiency

Empowering Industrial Operations with Redundancy

In the dynamic world of industrial operations, downtime is not an option. Combining Stratus ztc Edge with AVEVA PI System ensures continuous data availability and operational efficiency, safeguarding against unexpected failures.

The Perfect Integration for Maximum Uptime

AVEVA PI System: A leading real-time data management and analysis solution that collects, stores, and organizes data from various industrial sources, providing a comprehensive view of operations for enhanced decision-making and performance optimization.

Benefits of Integrating AVEVA PI System and Stratus ztcEdge

Continuous Data Availability: Stratus ztc Edge ensures your PI System remains operational, even during hardware failures.

Simplified Management: ztc Edge's management tools and PI System's data analysis simplify system management, streamline operations, and enhance visibility.

Scalability: The integrated solution can scale with your operations, ensuring ongoing reliability and performance.

Cost Efficiency: Minimize downtime and maintenance costs with a solution designed for high availability and low

Customizable trends and seamless event management.

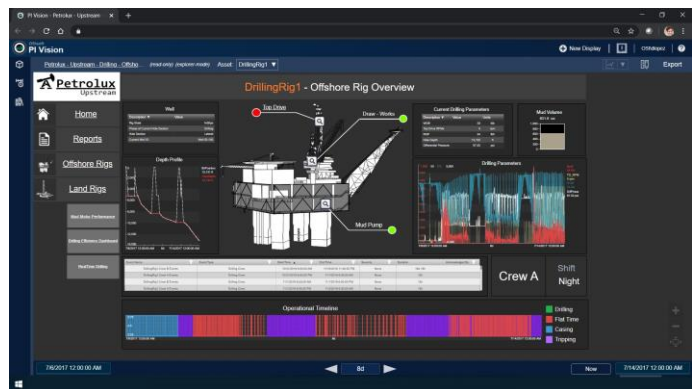

AVEVA PI Vision: Real-time data visualization for decision makers

PI Vision offers a user-friendly, no-code interface for creating data visualizations, reducing the learning curve. Dynamic displays automatically update with new data, eliminating manual updates. Accessible from anywhere, it ensures real-time operations data on any device. Users can share displays, promoting consistent data usage across teams.

Benefits of AVEVA PI Vision

- ✓ Easy to use
- ✓ Self-service
- ✓ Scalable

Trusted by essential industries for over 40 years

 Oil & Gas	 Manufacturing	 Utilities
 Pharma & Life Sciences	 Chemicals	 Mining & Metals

Transform Your Operations Today!

Our team of experts is ready to help you integrate Stratus ztcEdge with Aveva PI System. Contact us to discover how this combination can enhance your industrial operations.
