

# Enhance Your Operations with AVEVA Unified Operations Center and Stratus ztcEdge

Empowering Continuous Operations with Seamless Integration and Robust Redundancy

## Introduction

In today's fast-paced industrial environment, system uptime and reliability are crucial. The combination of Stratus ztcEdge and AVEVA Unified Operations Center (UOC) offers a robust solution for seamless operations with unparalleled redundancy. This brochure highlights the synergy between these technologies and the benefits they bring to your operations.

## What is AVEVA Unified Operation Center?

AVEVA UOC integrates multiple systems into a single, contextualized view, providing actionable insights for improved decision-making and operational efficiency. It connects data, systems and people across the enterprise.

### Key features

Centralized operational visibility

Real-time data integration

Enhanced collaboration tools

Scalable architecture

## Unified Redundancy for Uninterrupted Operations

AVEVA UOC and Stratus ztcEdge ensure unmatched redundancy and continuous availability of critical data.

## Key Benefits

- ✓ Continuous Availability
- ✓ Real-time Data Access
- ✓ Reduced Downtime
- ✓ Enhanced reliability

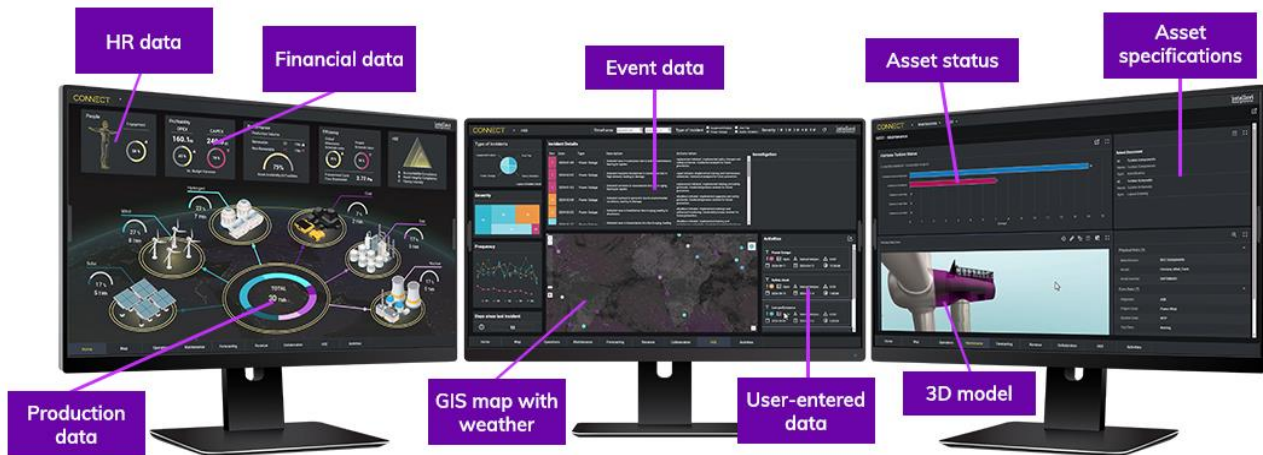

# AVEVA Unified Operations Center

Proactively resolve pipeline events and promote safety.

## Enterprise visualization with IT/OT/ET convergence

- ✓ Convergence of diverse data streams (data streams, video feeds, OT, IT, ET)
- ✓ Near real-time visibility for enterprise teams
- ✓ Holistic, data-driven perspective
- ✓ Correlation of weather impacts on power generation
- ✓ Asset optimization between facilities
- ✓ Load-balancing production amid variable supply chains
- ✓ Integration of process metrics, maintenance analytics, engineering documentation, and financial performance
- ✓ 360-degree view of organizational data
- ✓ Replacement of siloed data with contextually aligned information

We manage your data on-premises, in the cloud, or at the edge with hybrid tools. Stratus ztcEdge and AVEVA Unified Operations Center ensure robust, real-time data management and operational continuity

### Transform Your Operations Today!

Our team of experts is ready to help you integrate Aveva UOC with Stratus ztcEdge. Contact us to discover how this combination can enhance your industrial operations.
